I.

Greetings from the Convention Chair

Brothers,

Happy New Year! Although it's only January, it's time to start thinking about summer in Dallas!

The GCC Planning Committee is hard at work creating our biennial convention while honoring Fraternal traditions, highlighting our Values, and aligning with the goals and needs of our Members.

Over the coming months, we'll share updates and key details through future volumes of the "Guide to the 62nd GCC" and within the Kappa Psi Portal. These resources are designed to ensure that whether you're a first time attendee or this is your 20th GCC, you feel prepared and have all the information you need.

While we are still a few weeks away from releasing registration and our hotel block, here a few action items you can start now:

- Request time off from work or rotations, if possible
- Find other Members within your Chapter or Province who are also planning to attend
- Budget, fundraise, or ask for support from your school to help offset costs
- Pick a Chapter activity you wish to highlight in our Poster Session

Our theme, "***Powered by Purpose***", reflects what sets Kappa Psi apart from other organizations. We are committed to our Values, lifelong connections, and the opportunity to develop service-driven leaders both within and beyond the profession of pharmacy. GCC is the ideal time to reconnect with our purpose, honor our past, and shape our future while making incredible memories along the way.

Check out the rest of Volume 1 to learn more.
We can't wait to see you all in Dallas!
